

AsiaBound Sample Application Form

The information in this document is representative of the questions that will be asked within the AsiaBound application section of the ISEO system. It has been created to assist institutions with creating their Semester Based, Short-Term and VET AsiaBound applications.

Note – This is not for official use. Applications can only be made and submitted through the online system ISEO.

1. Project Tab

Program

Programs that are open and eligible for application by your institution will be listed here

Round year

2015

Field of Study

The Field of Study is a comprehensive list of educational fields supplied by the Australian Bureau of Statistics. A copy of this list can be found under the section 'definitions' of the Australian Standard Classification of Education (ASCED), located in the link below

<http://www.abs.gov.au/ausstats/abs@.nsf/0/F501C031BD9AC9C5CA256AAF001FCA33?opendocument>

Select Country

Please select your destination country from the list provided. A list of eligible countries can be found in the AsiaBound guidelines, available on the AEI website [here](#)

2. Details Tab

The following information is required for the project application:

- proposed number of outgoing student grants
- whether or not you are applying for a project facilitation subsidy
- the qualification level of the project (eg Certificate IV, Bachelor degree, Masters degree, etc)
- study experience type, eg clinical placement, practicum, 1 or 2 semester-based, etc
- nature of the project, ie faculty or specialisation
- partner institution
- anticipated travel dates
- a brief description of the project – note projects must result in the awarding of academic credit or be otherwise mandatory for the students' course

Note: at this stage, a standard ranking will be applied automatically to your project, ranked against your other project applications. You will have the option of changing the ranking of all applications relative to each other at a later stage in the process.

3. Language Tab

You will need to indicate whether or not your project contains a language study component by selecting either **'Yes'** or **'No'**. If your project does not contain a language study component, no further action is required on this page. Move on to the **'Selection Criteria'** tab if applicable, or otherwise finalise your application (section 7).

If you selected **'Yes'**, you will be asked if you wish to apply for intensive language support grants. You are not required to apply for any language grants. Please answer **'Yes'** or **'No'** and the number of language grants sought in the box provided.

You do not have to apply for the same number of intensive language support grants as you have student grants; however, the total number of intensive language support grants you apply for cannot be greater than the number of student grants sought.

If you have indicated that your project contains a language study component, please provide a brief description in the box provided of how the language study will be undertaken (Max 300 words.)

4. Criteria Tab

Criteria 1 (300 words)

The strategic focus of the Project having regard to the objectives of the AsiaBound Grants Program:

- Increasing the overall number of Australian students with a first-hand study experience of Asia
- Encouraging more students to become Asia-literate through diverse mobility offerings in Asia
- Enhancing the skills and expertise of Australians through access to a variety of study opportunities in Asia
- Supporting increased Asian language competency of Australian students undertaking mobility to Asia
- The institution's potential to foster ongoing collaboration and cooperation with the host country.

Criteria 2 (300 words)

The desired outcomes of the particular Project and details of the credit provided for participation.

Criteria 3 (300 words)

The level of support and services provided by the home institution to students to facilitate their pastoral care and learning outcomes in pre-departure and while they are overseas.

Criteria 4 (300 words)

Measures that ensure participation in the Project by individuals from identified disadvantaged groups (see section 2.5 of the Guidelines).

Important:

Eligible Projects will enable students to participate in an international experience in Asia that directly relates to the students' fields of study, and provides credit or is otherwise a mandatory component of their course.
