

Study Overseas Short term Mobility Program (STMP) Sample Application Form 2015

The information in this SAMPLE application is representative of the questions in the 2015 STMP Program application section of the ISEO system. It has been created to assist institutions with creating their STMP project applications.

Note – This form is not for official use. Applications can only be submitted through the ISEO system

1. Project Tab

Round year 2015

Field of Study

The field of study on the application form is used for project identification purposes. It has no bearing on the assessment of a project's suitability for funding. You should select the field of study on the application form that best represents the overall focus of the intended project.

Select Country

Please select your destination country/ies from the list provided. Eligible Destinations Funding under student mobility programs may be used to support students to study across the world.

The Australian Bureau of Statistics' Standard Australian Classification of Countries (SACC), 2011 version 2.2 - Table 1.3 can be found at www.abs.gov.au/AUSSTATS/abs@.nsf/DetailsPage/1269.02011?OpenDocument.

2. Details Tab

The following information is required for the project application:

- • proposed number of outgoing student grants
- • whether or not you are applying for a project facilitation subsidy
- • the qualification level of the project
- • study experience type, (e.g. clinical placement, practicum etc.)
- • nature of the project,(e.g. faculty or specialisation)
- • anticipated travel dates
- • a brief description of the project

Note: At this stage, an automatic default ranking of this project against your other project applications will be automatically generated by ISEO. You will have the option of changing the ranking of all applications a later stage in the process.

3. Criteria Tab

Criterion 1

STMP Selection Criteria 1: Provide a brief outline of the strategic focus of the Project and how it supports the international mobility strategies and sustainability measures of your institution

300 words

Criterion 2

STMP Selection Criteria 2: Detail how the desired outcomes of the Project will achieve the aims of the Study Overseas Short-Term Mobility Program (refer to Section 3.1 of the Guidelines)

300 words

Criterion 3

STMP Selection Criteria 3: Explain the relevance of the Project to the participating students' field or course of study.

300 words

Criterion 4

STMP Selection Criteria 4: Detail the level of support strategies and services provided to students to facilitate their pastoral care and learning outcomes while they are overseas, which may include details such as critical incident plans and insurances for the Project.

300 words

Criterion 5

STMP Selection Criteria 5: Outline measures that ensure participation in the Project by individuals from identified disadvantaged groups.

300 words

Important:

Projects must be no longer than six months in duration and the activities undertaken by students participating in the Project must be for some form of Academic Credit or form a mandatory component of the student's course.
